

Child and Parent Centre Gosnells Newsletter Issue 35. November 2018

Welcome to our November newsletter. We cannot believe it is November already as we are close to the end of 2018! Where has the time gone? Thankfully the rain seems to be gone and the sun has got its hat on ... hip hip hooray!

We had great fun with families during school holidays when we were visited by the Music Man. The children played with handmade instruments and even got to make some. There was lots of noise and the children had a great time making lots of sounds with all the instruments.

POPPY IS BORN

During the City of Gosnells Children's Week Event The Paint the Highway REaD project entered a new phase with the hatching of the egg. Poppy the Possum was finally born and met with families who have been waiting months to see what was in the egg. Poppy was very happy to meet with all the families and sang some of her favourite songs with the children. Poppy stayed for a while but had to leave because she was very hot and sleepy and needed her rest. Watch out for Poppy over the next few months as she visits all the places who sang and read to her before she hatched.
