SCHOOL VISION STATEMENT

St Munchin's Catholic School aspires to reflect the life and love of Christ for His people.

CONTEXTUAL INFORMATION

St Munchin's Catholic School is a community of faith. Our motto "Follow Truth", assists students to focus on what is truly important to the school, with Gospel values at the core of everything we do. The school accommodates approximately 346 students from Kindergarten to Year 6. Students have the opportunity to enhance their learning through specialist subjects of Music, Physical Education, Dance, Digital Technologies, Library and Research and Italian Language Studies. The addition of a Special Needs Coordinator and Learning Support Team has enabled the introduction of special programmes to cater for the diverse needs of the students. These programmes include Speech and OT assessment with ongoing support, Reading Recovery, Extending Mathematical Understanding, and Hickey Phonological Awareness, and Leveled Literacy Intervention. The Social Worker and trained Rainbows coordinator assist students with social and emotional needs. The Out of Schools Programme is managed by the school and coordinated by a Nominated Supervisor offering a well-supported service for parents and care-givers. The school is also involved in a number of community focused enterprises such as a worm farm, breakfast club and whole school waste reduction initiatives. The involvement and ongoing support of parents and care-givers is encouraged and valued at the school and many opportunities exist for parents and care-givers to be helpers in the classrooms. The school receives strong support from the Parents and Friends Committee, School Board and Parish.
