

St Munchin's Catholic School

17 March 2020

Dear Parents and Carers

Amongst the uncertainty of the current Covid-19 pandemic and the escalation of its impact in our community, I have made the decision to cancel all school excursions for the remainder of this term, and until the situation and social climate has changed. Hopefully, in most cases this will mean a postponement of these excursions. They will be rescheduled for a more suitable time later in the year, where possible.

At St Munchin's we will continue to act with the wellbeing of all of the children in our care as our primary focus. We have increased the hygiene practices, instruction and initiatives at our school, but we have no knowledge of the cleanliness of any site outside of St Munchin's.

The excursions and activities planned for this term and now cancelled include:

- The Year Six excursion to Woodman Point scheduled for this Thursday 19th March
- The Year Two and Three Dockers excursion on March 25th
- The Interschool Swimming Carnival on March 30th
- The Year Five excursion on April 3rd to the Canning Eco Centre
- The Year Six Cricket Carnival on April 7th

If your child was due to participate in any of these excursions and activities, I hope that the initial disappointment they may feel is tempered by an understanding that their health is our major concern.

Once again, I appreciate your understanding and support as we journey through these unsettled times.

Regards

Joe Musitano
Acting Principal
