Dear Parents,

RE: Three-Year-Old Kindy 2022 (Pre-Kindy)

We are currently seeking expressions of interest in offering a Three-Year-Old Kindy program to our community in 2022 and beyond.

At this stage it would be offered for one full day a week in one of our Kindy classrooms and be delivered by a qualified teacher.

We hope to be able to provide this service for approximately \$45.00 per day.

Students would be eligible to commence the program (pending availability) from the day they turn three years.

Please return the survey below to assist our planning.

Yours Truly
