STUDENTS' LAST DAY

Recreate the world

Creator God,

Because of your abundant love

you chose to bring light and order into the formless void,

to create a world of unsurpassed beauty

and you saw that it was good.

We ask that you continue to recreate the world

with that same attentive love,

to bring light into today's ever increasing chaos and darkness

where we have failed to be stewards and carers of your creation.

Replenish our hearts

so that we too can renew the face of the earth.

Amen.

Kieran O'Brien/CAFOD

Dear Parents, Caregivers and Friends

How quickly the weeks are progressing! The students continue to work diligently and aim to produce their very best work achieving pleasing outcomes and results. Students will receive written reports at the end of this term covering progress for term one and two.

Parent/Teacher Interviews

All class teachers from Year 1-6 are currently holding interviews with parents and caregivers before written reports are finalised. Class teachers have informed you of the process and have made available times over the next few weeks to meet with all parents or caregivers. Please ensure that you make an appointment with your child's/children's teacher to discuss their progress thus far.

Eucharist Enrolment

Year 4 students and children from the parish will enrol at one of this week's weekend masses. Together with their family, they will commit to participating in the preparation program for receiving the Sacrament later in the term. As a community, I ask you to keep the students and their families in your prayers as they prepare.

Winter Uniforms

I apologise on behalf of the distributor for the lateness of the arrival of the winter uniform orders. We have been assured that we should have all uniforms the week beginning 27th May. The transition to full winter uniform will be delayed until all uniforms have arrived.

2020 Kindergarten

Interviews will commence in June. I will meet with parents or guardians and the prospective student must attend. If you have a child born between 1 July 2015 and 30 June 2016, you are encouraged to enrol your child and an interview will be arranged through the office. If you have friends or neighbours who are intending to enrol their child/ren at St Munchin's please encourage them to contact the office to commence the enrolment process.

Staff Professional Development

The staff will be participating in Faith Development on Friday 31st May with Father Tony Chiera. This is a Pupil Free day and the students do not attend school. OSHC is open but bookings are essential.

Sick Children

With winter approaching it is obvious that there are a number of viruses causing illness in all of us. In the past few weeks, we have had a high number of students who have been ill. I realise it is difficult for working parents and caregivers but it is important that children are kept home whilst sick until they recover. Sending them to school ill, will pass on the virus, which easily spreads throughout the school. We appreciate parental support in this matter.

HEALTH CORNER

Winter Asthma Warning

With the onset of winter and cooler weather, many people find that their asthma seems to flare up. If you or a family member has asthma, you can do the following things to help manage your asthma, as we approach the coldest time of the year.

- ☺ See your doctor and have your asthma reviewed
 - ☺ Ensure that you have an up to date Asthma Action Plan
 - ☺ Continue to follow a healthy lifestyle – exercise and watch your diet.
 - ☺ Stay warm
 - ☺ Ensure that your home is heated uniformly throughout. A warm bedroom temperature certainly seems to reduce night cough and wheeze.
 - ☺ Ensure you continue to comply with the treatment plan your doctor has devised for you
- For more information about asthma, please contact the Asthma Foundation of WA on (08) 9289 3600 or visit www.asthmaaustralia.org.au
