Term 2 Week 6
Thursday 4th June 2020

Our Vision

St Munchin's Catholic School aspires to reflect the life and love of Christ for His people.

Our Mission

In the tradition of Eucharistic sharing, St Munchin's Catholic School community aims to reflect the life and love of Christ for His people.

The school community works together to provide pastoral care for each person and to nurture the development of the whole child.

June 5th is World Environment Day

Living God,

You reveal your great love through the beauty of Nature.

Help us to love and respect our world.

May we be 'seeds' for growth,
raising awareness of the Sacred,
and teaching all to see and treasure
your print in the gift of Creation.

We ask this through our Lord Jesus Christ, Your Son,
who lives and reigns with you in the unity of the Holy Spirit,

God forever and ever.

Amen.

Please call 9234 7555 for an enrolment form, or download from
www.stmunchins.wa.edu.au

Dear Parents, Caregivers and Friends

I hope you all enjoyed the extra-long weekend last weekend. It certainly was an excellent opportunity to have a break from regular school routines and get away for the weekend.

I would like to take this opportunity to thank parents and caregivers for their co-operation, patience and understanding with drop off and pick up of students since the beginning of the term. It is much appreciated and makes our job so much easier. Special thanks to all staff for taking on extra duties to ensure the safety and wellbeing of students and community members.

**Great
News**

As of Monday 8th June parents and caregivers are permitted to come onto school premises to drop off and pick up students from class. However, parents/caregivers are not permitted to enter the classroom, or the Year 1 to 6 corridors, and of course, must maintain the 2msq social distancing rule.

Teacher Meetings and Discussions

Parents /Caregivers must still make appointments to meet with teachers, principal or members of the leadership team. It is not appropriate to give teachers messages or ask for information at drop off and pick up times. *Emailing and Messaging through Dojo is strongly encouraged.*

We are all pleased that we are slowly returning to normality and further activities will resume next term if all goes well. We will keep you well informed in the coming weeks.

Student Attendance

All students are required to attend school unless they are unwell, have a medical referral to learn from home or live with a family member who is medically vulnerable.

Students with a medical condition:

Students may continue to learn from home if they are immune-compromised or are otherwise considered at-risk medically.

- Parents who plan to keep their child home to continue learning remotely are to seek medical advice and will be required to provide medical evidence to the school. Students approved to learn from home will continue to be supported in their learning.
- Where a student's pre-existing medical condition is already known to the school, no medical evidence is required.

If a child is unwell:

Students who are unwell should stay at home. Parents are asked to seek medical advice if their child exhibits symptoms of COVID-19. Normal processes for advising the school of a child's absence will apply.

Student with medically vulnerable family members:

Students may continue to learn from home if a member of their immediate family is immune-compromised or medically vulnerable.

- Parents who plan to keep their child home to continue learning remotely are asked to contact the school Principal and provide medical evidence to support their request.

*CEWA Phase 3 School Operations Guidelines
Advice for Catholic Schools (effective 8 June 2020)*

**** Please note that absence from school must be covered by a medical certificate or written note. ****

Messages of Hope

"At the end of the day all you need is hope and strength.
Hope that it will get better and *strength* to hold on until it does."

Have a happy and safe week!

God Bless
Rob Romeo
