**WORLD  
REFUGEE  
DAY**

**Saturday, 20<sup>th</sup> June 2020**

Pope Francis reminds us that 'Christ asks us to welcome our brother and sister migrants and refugees with arms wide open.'

A refugee is one who has been forced to leave their country in order to escape war, persecution, or natural disaster. There are more than 25 million refugees worldwide<sup>1</sup>. More than 11 million of them are children.

As the world is confronted by the Covid pandemic, let us pray for those the world forgets, those who live inside refugee camps where there's no chance of social distancing, not enough clean water to wash your hands and no hospital bed ready if you or your loved ones get sick.

Let us work for justice and pray for those who have no place to call home, those who today will go hungry or find themselves in places of great danger.

### A Prayer for World Refugee Day

Almighty and merciful God,  
whose son became a refugee  
and had no place to call his own;

Look with mercy on those who today are  
fleeing from danger, homelessness and hunger.

Bless those who work to bring them relief;

Inspire generosity and compassion in all our hearts;

And guide the nations of the world towards that day  
when all will rejoice in your Kingdom of Justice and of Peace;

Through Jesus Christ our Lord

Amen

Dear Parents, Caregivers and Friends

We are fast approaching the end of the term with only two weeks remaining. Daily routines have resumed normality with some extracurricular activities such as incursions and excursion being planned for term three.

The students' engagement and participation in teaching and learning has been and continues to be highly commendable. First semester reports will be distributed to students on Wednesday July 1<sup>st</sup> which is the last day for students to attend Term Two. The reports will not be as comprehensive as previous reports due to COVID-19 phases requiring changes to usual school procedures and routines. However, the reports will provide a general overview of your child/ren's progress based on their level of achievement in the various learning areas thus far based on the assessments administered.

Thank you to our parents and carers for your wonderful co-operation in assisting with Phase 3 of Covid-19. Whilst being permitted to drop off and pick up of students on school grounds but not entering the classroom allows us to work as a community in avoiding the spread of COVID-19 by following recommended medical and government advice for the benefit of all the community.

### 2019 School Year Book

Each family will be receiving one copy of the highlights from each class during 2019. I do hope you enjoy reviewing the events and having a lasting memory of your child's 2019 school year.

### Out of School Vacation Care

In a previous newsletter we have mentioned that we have attempted to continue the Vacation Care to support our school community however we have only had 3-4 regular students attend on a daily basis. This is not financially feasible so Vacation Care will no longer operate at St Munchin's OSHC.

The centre will operate as normal during the school terms and on Professional Development Days.

**Pupil Free Days: Thursday 2 July and Friday 3 July - Students do not attend school.**

OSHC is open and bookings are essential.
