*Lord, you have enriched our lives
in many ways,
and we remember with thanksgiving
all who have loved, cared for,
and supported us over the years.
Show us how best
to use the time and talents
you have given each of us,
and lead us to grow in appreciation
of the contribution that others make.
May your Spirit empower us
to work well with others
and bring out the best
in those with whom we share our lives.*

Amen.

Dear Parents/Guardians and Friends

The term is progressing quickly and we have many tasks to be consolidated and completed before the end of the year.

Our focus is to guide and encourage the students to remain focused and give their very best efforts in all that they engage and participate in. We value and appreciate your support with this as the students recognise that school and home are working together to help them achieve their full potential.

Students will receive written reports at the end of the semester and these will be sent home with the students on Wednesday 5th December.

Allocation of Students to Classes for 2019

Students will be allocated to classes based on the policy "Splitting Students into Classes" which can be viewed in the policy section of the school website.

Teacher Allocation to classes will be made public with the class lists on Monday 3rd of December. Once class lists are finalised no changes will be made as careful and thoughtful consideration has been given by teachers and the Leadership team. The decision made by the school is in the best interest of each student.

If parents/guardians have any special requests regarding their child/ren's allocation these must be made in writing to the principal by Friday November 23rd. The requests must contain valid reasons with clear and honest explanations.

Writing to the Principal does not guarantee that your request will be met. The Principal in consultation with teachers and the Leadership team makes the final decision.

Term Calendar

This term is a 9-week term for the students and only six weeks remain. It is a very busy term with many events taking place. Therefore, I ask parents and guardians to check the calendar regularly, read newsletters, emails and class dojo to keep well informed. The Term 4 calendar is included with this newsletter and is also posted on the school website.

We look forward to a very fruitful and rewarding term and thank you for your continued support.

"Success is not final, failure is not fatal: it is the courage to continue that counts."
Winston Churchill

Welcome back to Term 4!

PFFWA are hitting the ground running in this final term. We are aware that this is the time of year when a lot of Parent Groups are holding their AGM's so thought it timely to remind you that we have some resources such as AGM agenda templates and information on motions and the procedures around how to nominate and vote in new office bearers. It might also be a good time to look at your constitutions and the rules that govern your associations. If you would like any information on any of these topics, please do not hesitate to contact the office or email our Liaison Officer, Theresa McDonnell on theresa@pff.wa.edu.au

We would also like to remind parent groups that once your new office bearers are elected, you will need to send through their details to us, as it is a legal requirement for our organisation to keep our list of members up to date. You can submit your office bearer's form online via our website or simply click [here](#)

Finally, we would like to draw your attention to 'save the date' for our Annual Parent Group Induction Evening, which will be held here at the offices of PFFWA on 21st February 2019. This promises to be a great opportunity for parents to learn how to become involved with their school parent group and to gain information which will enable them to participate fully as office bearers or members. We will also be running a Q&A session at this event which will allow us to ask how we, as an organisation, can assist our members.

We always welcome input and comment from your parent community.
