Dear Parents and Friends and children

We are excited to have you all back for a new year of fun.

A big welcome to our new Manager and Principal Kevin Duffy.

Warm regards,

Rebecca Curtis,

Director, Nominated Supervisor, and Educational Leader

Information For Families

At St Munchin's OSHC, the national framework for school age care My Time Our Place & Early Years Learning Framework guide our curriculum and practice. We aim to enrich children's wellbeing and development in our school age care settings. At our centre the children engage in a range of play and leisure experiences that allow them to feel happy, safe and relaxed. We also recognise that they need time to interact with friends, practice social skills, solve problems try new activities and learn life skills. We also place great importance on relationships and nurturing children's talents and interests.

Parents are reminded to confirm their income by 31 March 2021 as their CCS will stop. This means you will be charged full fees when you use childcare. If parents confirm their CCS before 31 March, their fees can start again but they will not be back paid.

Please read the letter from Services Australia. For more information visit:

News from the OSHC

Dear Children, Parents and Friends,

The beginning of the month was marked by the COVID lockdown and transition week. The service Risk Assessment -Action Plan ensured the service functioned according to the Australian Government Department of Health guidelines.

The children started the year after an exciting and relaxing holiday program. Some of the highlights were caring for our garden and restoring the statue of the Blessed Virgin Mary, the mother of Jesus Christ.

Warm regards,
Rebecca Wates Curtis
Educational Leader

Restoring the statue of the Blessed Virgin Mary, mother of Jesus Christ. Kushi, Harry, Milap and educators and Ken-great team work!
6.1.2 Parents views are respected: culture, values and beliefs of families are respected

NQA 2.1.2 Each child's health and physical activity is promoted. *NQA 1.1.2 The program is child centred.* *NQA 1.2.1 Intentional teaching.* *EYLF & MTOP Outcome 4.1 Children develop a range of dispositions and skills.*

The educators facilitate children leading and guiding their learning on hygiene, designing experiences and encouraging children to make choices about how their experiences will evolve.

NQA1.1.2 Educators extend on children's interests. Self chosen experiences foster agency , dexterity, hand eye - coordination, precision and refinement of movement. Ethan-Jaunita and Nashe enjoy repeating until they are satisfied.
