*Dear Parents,*

### St Munchin's OSHC Curriculum

*During our Before School, After School and Vacation Care programme, the children are actively engaged in planned and unplanned activities. The learning frameworks, My Time Our Place and Early Years Learning Framework guide our pedagogy, which include, early childhood professional practice, especially those aspects that involve building and nurturing relationships, curriculum decision making and learning. We make it our priority to implement the National Quality Standards to it's full potential, while adhering to Regulations and the Catholic ethos.*

*We provide care in a nurturing environment, where children can engage in a range of play and leisure experiences that allow them to feel safe happy and relaxed. We also recognise that children need to interact with friends, practice social skills solve problems, try new activities and learn life skills.*

*If you have any queries regarding our availability, policies, procedures or education program, please speak to one of our friendly staff members.*

*Thank you,  
Mr. Rob Romeo.  
Manager & Educational Leader, St. Munchin's OSHC*

Please note, bookings and cancellations need to be made **two weeks in advance**. Cancellations need to be made via email or use the Parent Communication Book, otherwise you will be charged the full fee. Please remember to sign absences in order to receive CCR payments. If you need to make changes to a permanent booking during the term, please sign and date the change, this also applies during Vacation Care. Also, fees need to be paid weekly / fortnightly.

# News from the OSHC

Dear Children, Parents and Friends,

The children have started the new year after an exciting and relaxing holiday program. Some of the highlights of the holiday program were the Christmas Pageant, going for a movie, a picnic to Pioneer Park, an incursion from Bunnings and lots of other engaging activities.

This month the children are actively involved in following the Australian Guide to Healthy Eating. These play and leisure time experiences promote children's learning and wellbeing, skills and attitude towards life - long learning.

Thank you,

Rebecca Curtis

The children participated in the Christmas pageant 2017. We received positive and encouraging feedback from parents. A big "Thank You" to all our parents. - Rebecca.

Go for two fruit and three vegetables to keep fit and healthy. -Abbie

Following the Australian Guide to Healthy Eating-Kayleigh , Taiya, Abbie, Rebecca and friends.

Environmental Sustainability- We reuse milk bottles to water the plants. Kyle

When building with blocks, I am: learning about height, width, depth and length. I am also experiencing patterns, symmetry & balance. Koban
