*Dear Parents,*

**St Munchin's OSHC Curriculum**

*During our Before School, After School and Vacation Care programme, the children are actively engaged in planned and unplanned activities. The learning frameworks, My Time Our Place and Early Years Learning Framework guide our pedagogy, which include, early childhood professional practice, especially those aspects that involve building and nurturing relationships, curriculum decision making and learning. We make it our priority to implement the National Quality Standards to it's full potential, while adhering to Regulations and the Catholic ethos.*

*We provide care in a nurturing environment, where children can engage in a range of play and leisure experiences that allow them to feel safe happy and relaxed. We also recognise that children need to interact with friends, practice social skills solve problems, try new activities and learn life skills.*

*If you have any queries regarding our availability, policies, procedures or education program, please speak to Rebecca Curtis.*

*Thank you,*  
*Mr. Rob Romeo.*  
*Principal, Manager & Educational Leader, St. Munchin's OSHC*

# News from the OSHC

Dear Children, Parents and Friends,

The children have had a relaxing holiday doing things that interested them. The children enjoyed the excursion to The Perth Mint, the cinema and picnic to Centennial Park.

The visit from SERCUL and the hands on experience with the 'catchment' model helped learn about water pollution.

NADOC week was observed and the children explored aboriginal painting techniques. It was a wonderful opportunity to gain cross cultural understanding. The children have interesting ideas and activities planned for Term Three so they are looking forward to having fun!

Thank you,  
Rebecca Curtis
