

Dear Parent/Guardian,

Firstly, we would like to congratulate our school community on their fundraising efforts so far for our School Fun Run - [CRAZY COLOUR RUN](#)

We were due to hold our event this term, however given the current direction and advice regarding the COVID 19, the school has decided to postpone the Event and Fundraising until a later date.

Whilst we have not set a new date for our event, it will be in Term 3 or 4 this year. We will relaunch our fundraising about a month before our event, so for now there is nothing you need to do.

To those that have started fundraising, THANK YOU! Your money will stay active in your profile and will be there when the school relaunches the Fun Run. If you would like to continue fundraising you can, as your page will remain active until our event.

Thank you all for your efforts to date, we look forward to giving you an amazing School Fun Run - [CRAZY COLOUR RUN](#) later this year!

We will update you once we have more clarity around dates for the School Fun Run.
