

Student Code of Conduct

At St Munchin's we want to feel **Safe, Trusted, Respected, Valued** and **Equal**.

We feel **safe**

When we follow instructions, we respect each other's personal space, we keep our hands and feet to ourselves, and we speak kindly to one another.

We feel **trusted**

When we are honest, encourage one another and feel safe to speak up.

We feel **respected**

when we treat each other kindly, listen to each other, include others, smile and say hello and look after each other.

We feel **valued**

when we listen to one another, when we accept everyone, when we use our God given gifts and talents.

We feel **equal**

when we see everyone getting what they need when they need it, and when we celebrate different religions and cultures .

When someone is not feeling this way we can stick up for ourselves and others, we can remind others to do the right thing, we can check we are doing the right thing, we can tell a trusted adult and ask for help.

We do this because we want our classmates to be nice to each other by being caring and respectful. We do not want negative behaviour such as bullying or people being nasty to each other.
