

# Student Code of Conduct

At St Munchin's we want to feel **Safe, Trusted, Respected, Valued** and **Equal**.

In order to feel **SAFE**, we will stand up for each other, help everyone to fit in and have the freedom to choose.

When someone isn't feeling **SAFE**, or there is conflict, we will listen to them and support them until they feel better.

In order to feel **TRUSTED**, we will be responsible, honest, encourage each other to open up and not gossip.

When someone isn't feeling **TRUSTED**, we will try to find opportunities for them to prove they're trustworthy, help others to cooperate and assist people in owning up to their mistakes.

In order to feel **RESPECTED**, we will listen to each other, show kindness, help others feel accepted and look after our own and other's belongings.

When someone isn't feeling **RESPECTED**, we will listen to them, set boundaries, be the bigger person, and stand up for yourself and others.

In order to feel **VALUED**, we will make everyone feel important, value everyone's opinion and let people know that their voice always matters.

When someone isn't feeling **VALUED**, we will make them feel included and help solve their problems.

In order to feel **EQUAL**, we will display equity in our school, celebrate different religions and cultures and not tolerate discrimination.

When someone isn't feeling like they are **EQUAL**, we will encourage them to speak to someone, listen to their needs and make them feel special.

By doing these things we prohibit bullying, harassment, and other forms of peer-to-peer abuse; and we require respect for the privacy and human dignity of others.
